Spend some special time together to renew your marriage

We all know it is essential to invest time into our most precious relationships. We also know that God cares about strong marriages and families.

But it can sometimes be hard to find the time and energy to keep our marriages renewed and strengthened. All of us thrive and struggle in different aspects of our marriage. That's normal.

Time for Marriage weekends are an opportunity for you to get away from the pressures of life and create some space to focus on your relationship.

WHAT HAPPENS AT OUR TIME FOR MARRIAGE WEEKENDS?

Our aim is to create a welcoming and relaxing environment with everything in place for you to spend some special time as a couple investing in your marriage.

Our carefully chosen venues will encourage you to relax, and our trained couples will welcome you and share biblically based teaching, along with their own experiences, both good and bad! They will encourage you to be honest together and allow space for God to move you forwards in each area of your relationship.

Expect a warm atmosphere, laughter, media clips, real life examples, thought provoking ideas and a romantic evening dinner for you to share as a couple.

Areas covered include:

- ✓ God's plan for marriage
- ✓ Celebrating our differences
- ✓ Good communication
- ✓ Praying together
- ✓ Resolving conflict
- ✓ God's gift of sex & intimacy
- ✓ Our future together

You are not asked to share anything personally within a group setting, you discuss each topic privately as a couple – we don't want you to feel awkward.

WHAT WEEKENDS DO WE OFFER?

We run weekends throughout the year in different locations. Although usually held in our selected venues, we also run weekends based in local churches, colleges or organisations. Our website will tell you more: www.timeformarriage.org.uk

FOR ANY COUPLE

Whatever your age, and however long you have been married, you will benefit from focusing some time, thought and energy into the relationship you want to last a lifetime. We believe God wants your marriage to be continually renewed and strengthened to be all it can be.

90% of couples attending our weekends rate them as 'excellent'

FOR COUPLES IN LEADERSHIP

Time for Marriage is committed to supporting church leaders, youth pastors and missionaries. We understand the pressures of ministry, and want you to feel valued as you take the opportunity of a marriage weekend or mid-week break for your relationship to be nourished.

We always make sure that the people leading these weekends have experience of leadership in ministry. We try to make our courses excellent value, and many couples find their churches willing to contribute.

FOR ARMED FORCES COUPLES

We also run marriage weekends especially for those where one or both of you are in the Armed Forces. Led by couples with experience of life in the forces, we create a place for you to be able to grow together as you navigate marriage with all the unique challenges and opportunities that life in the forces presents.

"What a fantastic weekend. It far outweighed our expectations."

"Time together to talk without interruptions."

WHO ARE WE?

Time for Marriage have a passion for marriage to be lived and enjoyed as God intended, and we have been investing in that vision since 1974 (formerly known as One Accord).

We are a team of couples from many different denominations and backgrounds who believe in being authentic, vulnerable and full of faith for our marriages.

We believe in God's plan for renewed marriages, and pray that God will transform marriages and families in the UK and beyond. We are committed to being part of the answer to that prayer.

We aim to be a resource to the church, a network of like-minded people, and to promote prayer in marriage through www.when2pray.net. We run weekends full of warmth, welcome, honesty and prayer. We also work hard to make sure we are professionally run, biblically based, well trained, networked with other UK marriage organisations and accountable in our own lives.

We would love to hear from you.
